

2026 Holiday Home Range

Creating dreams for 80 years

Welcome

Whether you are looking for a sanctuary from everyday life or a base from which to create unforgettable family memories, Willerby has the perfect holiday home for you.

This year, we're proud to celebrate a remarkable milestone—80 years of Willerby. That's eight decades of pioneering design, continuous innovation, and a passion for helping people bring their holiday dreams to life.

As the UK's largest holiday home manufacturer and with 13 carefully crafted models in the range, we are excited to unveil our 2026 collection.

Leading the range for 2026 is our all-new Vogue. Our flagship model has been redesigned to be at the forefront of Willerby design, combining luxurious finishes, cutting-edge features, and bold aesthetics. The name "Vogue" pays homage to our rich heritage, first introduced in the early days of Willerby under the visionary leadership of founder Walter Allen. Today's Vogue continues that legacy, re-imagined for the modern holidaymaker who wants nothing but the best.

Also making its debut in 2026 is the Salisbury. This model blends classic holiday home design with a contemporary edge, featuring a super-chic interior and a clever, functional layout. From the moment you step inside, you'll feel relaxed, inspired, and right at home.

When you are ready to take the next steps, do not forget to visit us at one of our showgrounds (page 86), where our friendly teams are on hand to offer tailored advice to help match you to your perfect Willerby holiday home.

Purchasing a Willerby is more than just ownership - you become part of our Willerby family and are invited to become a member of the Willerby Owners Club (page 105). Here, you'll connect with a vibrant community of owners who share a passion for luxury, creating memories, and sharing experiences. Just like every great holiday, arriving is just the beginning of something special.

We hope you enjoy browsing our range of holiday homes as much as we have enjoyed creating them.

Featured

We've worked hard to ensure that our 2026 brochure is packed full of informative features, guides and model showcases to help you on your journey to choosing the perfect holiday home. Here we've picked out some of our key highlights that are not to be missed!

The Rio | Page 18

The Buxton | Page 44

The Salisbury | Page 50

The Vogue | Page 80

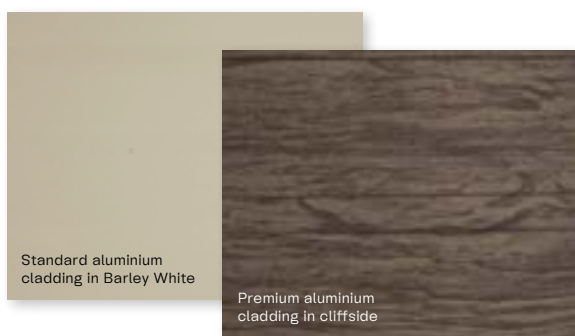

A new era of exterior style

2026 calls for a brand new exterior look.

We've introduced a brand new luxury matt finish to both the bargeboards and standard cladding, along with elevated exterior lighting, giving Willerby a sleek, modern feel like never before.

For those wanting to upgrade their home further, our brand new Premium Aluminium cladding with woodgrain effect adds a touch of effortless style.

And for those opting for graphite windows and doors, we've thought of everything, right down to the door catches and vents – so every detail looks just right.

Aluminium exteriors

We've enhanced our aluminium offering by introducing both a matt finish and a premium woodgrain option. More details including a full selection of the colours available can be found on page 100.

Let there be light

Our brand new exterior lighting features a sleek finish and a contemporary, eye-catching design, giving your home a more premium look and feel.

But it's not just about style — the energy-efficient, waterproof design means it performs brilliantly in all conditions, making it our most effective lighting yet.

Finding the perfect holiday home for you and your family

Owning a Willerby holiday home is so much more than four walls.

It's about having the freedom to escape, explore, relax and unwind whenever you like. It provides you with the space to create memories with family and friends which will last a lifetime. Like the sound of this? Check out our quick five-step guide which will help you make owning a holiday home a reality!

1. Do your research

As with any big purchase, it's useful to do your research first. This will make the buying process more enjoyable, as you'll understand everything when it comes to the exciting bit - choosing your home!

2. The two P's - park and plot

Location, Location, Location! From traditional seaside resorts to idyllic rural escapes, finding the park that's right for you is incredibly important.

Here are some of the things that are worth considering:

- Travel time
- Facilities
- Local area
- Type of park
- Plot location
- Size of plot

3. Find your dream home

Now you've found your park, it's time to choose your dream home! Every Willerby home in our range is different, meaning there is something for everyone.

We have two fabulous showgrounds, one in Hull and the other in Livingston, where you can see a wide range of Willerby homes in the flesh! Viewing the homes, either online, or in person, really helps you to consider what your criteria is and also which optional extras you'd want to add to your home.

4. The buying process

Once you've found your home it's time to place your order.

Just like buying a car, you can only buy homes through your park or local distributors. A full list is available on page 88.

Their friendly team will be on hand to help from the day you place the order to the day you get your keys and beyond. They are also responsible for arranging the delivery, siting and final inspection of your home.

Top tip: Make sure you add any optional extras at least three months prior to the build date of your new home.

5. Welcome to the family

Once you've got your keys, unpacked your bags and settled down with a cup of tea, it's time to join the Willerby Owners Club (more information on page 105).

It's also a good time to familiarise yourself with your home, read our owners handbook and register the warranties for both your home and its appliances.

Visit willerby.com/buyers-guide to download a full copy of our first time buyers guide.

Introducing the Willerby

GreEN Standard

A new holiday home specification that's good for the environment and your pocket.

All of our 2026 holiday homes* are built to the GreEN Standard specification as standard.

Did you know? 250kg of carbon is the equivalent to driving 1350 miles in an average petrol/diesel car.

Visit willerby.com/green-standard for more information

Use at least 20% less energy.**

Warmer in winter and cooler in summer.

What are the benefits?

More robust structure.

Emits 250kg less greenhouse gases into the atmosphere.**

Addition of Low-E Argon gas to all windows and exterior doors.

What has changed?

100% increase in thickness of exterior walls.***

Upgraded insulation in walls, roof and floors.

Why does it matter?

Play your part in the fight against climate change.

Reduce your energy costs at a time when energy prices are rising significantly.

*Due to pitch constraints, our Rio Compact models will not be built to the GreEN Standard specification.
** Based on 90 day annual occupancy, LPG cost calculated at 6p per Kwh, as per NCC energy consumption data.
*** 42ft holiday homes only.

Introducing

A green game-changer for the holiday homes industry.

What is All-E?

The All-E specification is a pioneering all-electric solution that allows our holiday homes to be enjoyed on the majority of UK holiday park pitches - powered solely by electricity!

Page | 10

The All-E specification uses smart technology to monitor and optimise electricity usage throughout the home, guaranteeing a seamless user experience for owners and holidaymakers alike - all while eliminating the need for fossil fuels at the point of consumption.

The ground-breaking system also includes a patented thermal battery for hot water provision and low-consumption electric appliances for cooking and central heating - all made possible by the outstanding energy efficiency of the Willerby GreEN Standard.

? How do I get it?

Our All-E specification is available on our 2026 Willerby holiday home range.*

Contact your local park or distributor for more information on how to get your Willerby All-E home.

Visit willerby.com/all-e for more information.

*Excludes the Vogue

Celebrating 80 years of creating dreams

That's eight decades of pioneering design, continuous innovation, and a passion for helping people bring their holiday dreams to life.

This year marks a very special milestone for us – our oak anniversary. Like the oak tree, our brand stands for strength, endurance, and lasting quality. For generations, Willerby has been at the heart of countless cherished holiday memories, creating connections that stand the test of time.

To kick off our 80th birthday celebrations, we have launched our brand new flagship model - The Vogue. Having started its life as a humble two-person touring caravan. Today, it's a stunning 14ft-wide holiday home – elegant, spacious, and modern. Make sure you check it out for yourself on page 80.

Page | 11

So, where did it all begin?

In 1946, Walter Allan, a resourceful and imaginative man, with a keen eye for the next big business opportunity, decided to start building caravans.

Walter saw the world beginning to heal after the Second World War. People were eager to reconnect, to relax, and to rediscover the joy of time away with loved ones. Walter recognised the moment, and Willerby was born.

After launching the business as a one-man band, Walter took it to new heights, taking on a site in Willerby (thereby giving the business its name), building up a dedicated workforce and selling caravans across the UK and parts of Europe.

Walter Allan

The Malton

Designed to take your holidays to the next level, the Malton's classic design will make you fall in love with holiday living all over again.

This stylish starter holiday home comes packed full of all the comforts of home - from central heating and freestanding furniture to its well equipped shaker style kitchen, it seamlessly combines traditional design with modern practicality.

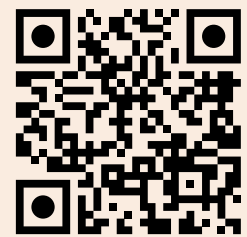

Its mauve pink and cashmere colour scheme combine to create a calming space in which to unwind and relax, while the soft palette is brought to life by the contrasting dark oak effect cabinetry throughout.

The open-plan layout and optional double sliding patio doors give the home a real sense of space, creating a warm and welcoming environment from the moment you step in the door.

The Rio

Combining generous storage, a contemporary interior, and a never-seen-before layout, the Rio offers something truly unique.

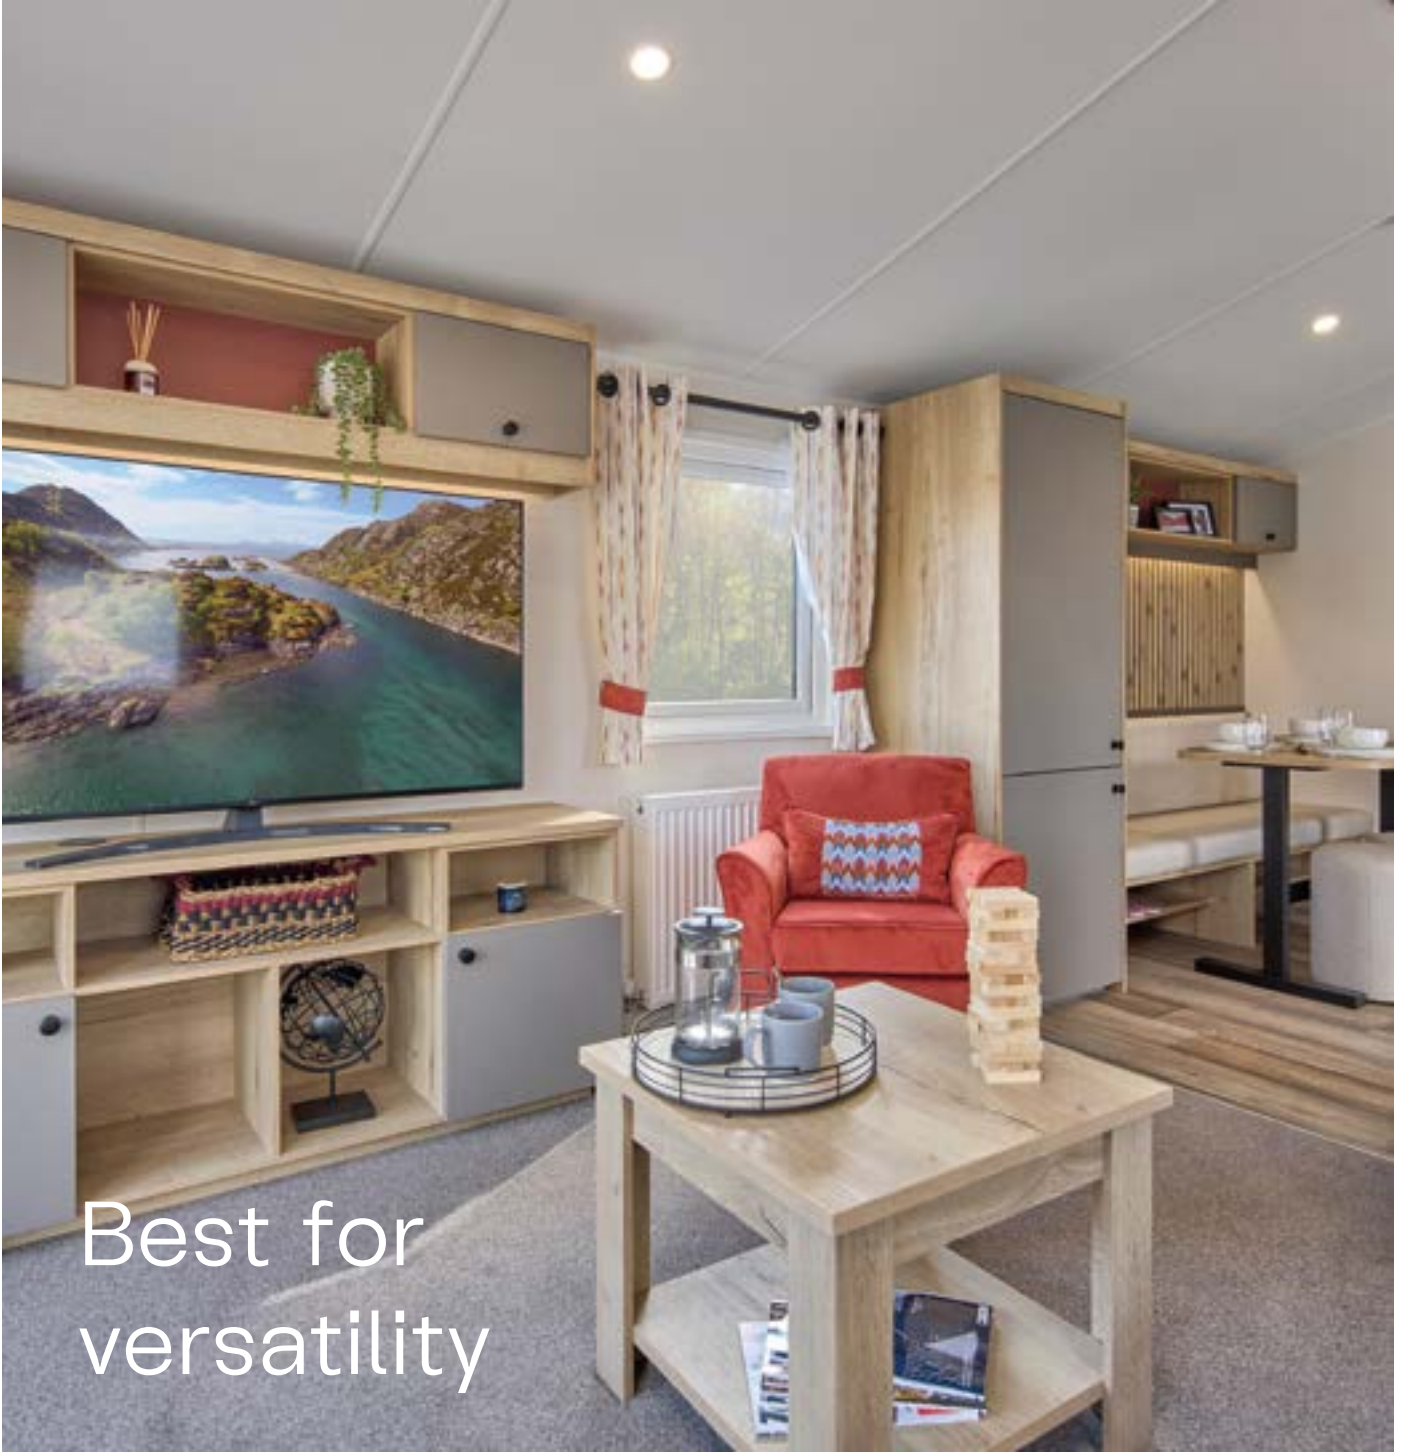

The distinctive layout of the Rio allows you to step straight into the heart of the home - the kitchen, with the kettle just an arm's reach away. With a cup of tea brewing, it's time to drop those bags and head straight to the comfy L-shaped sofa in the lounge where your vacation truly begins.

Cleverly designed storage features heavily throughout the Rio, from the underseat storage in the lounge and smart stowing space beneath the dinette bench, to the large cupboard in the hallway and generous built-in wardrobes in the bedrooms. You will never be short of space so bring all you need and more.

Although pitched as one of our latest entry-level homes the Rio certainly doesn't lack in style! Its bold interior design scheme features fun and vibrant pops of colour and pattern throughout over a contemporary and grown-up base palette, making this home feel much more expensive than it is.

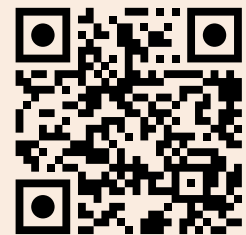

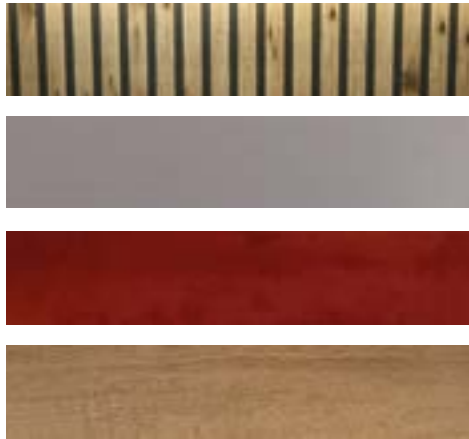

The Rio really does let you leave it all behind - without leaving anything behind!

The Sierra

The stylish Sierra doesn't skimp on sophistication. Featuring bold green cabinet doors, splashes of contemporary pink fabrics, and rustic oak features, this model is bang on trend.

A fresh lounge layout transforms the Sierra living area into a more social affair, equally good for entertaining guests and snuggling up in front of the TV.

The position of the side entrance door gives a huge impression of space as you enter the holiday home. Whilst the signature front aspect windows provide all the natural light you could need in the Sierra lounge. This bright and airy home is perfect for those who love an open plan layout.

The Buxton

The Buxton perfectly combines comfort, style, and practicality to create the ideal family retreat.

Designed with the whole family in mind the main entrance of the home opens into a hallway which is ideal for keeping both muddy boots and paws under control.

After a long day of exploring the comfortable sofa is great for cosy nights in. Gather around the statement media unit and get ready for movie night with the Buxton's optional cinema pack. With a footstool and additional cube seating as standard, space should not be a problem. The more the merrier!

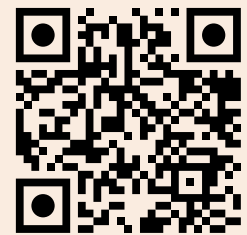

The Buxton's natural earthy tones are brought to life by pops of burnt orange throughout. With co-ordinated curtains and carefully considered design features it's all about the detail in this home.

But it's not all about style - between its standard specification and key options (including bath to replace shower and kitchen upgrade pack) the Buxton is a holiday home that works hard to make your life easy.

The Salisbury

Introducing the Salisbury, a fresh take for 2026 that brings traditional holiday home design into the modern era.

From the moment you step through the door, you will feel right at home. Combining textured fabrics, neutral colours and sophisticated design features, this holiday home is a classic cosy space in which to relax and unwind.

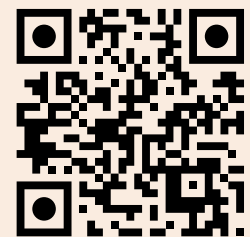

The circular dining room table helps to create a real social environment, which flows into the lounge where the plush sofas invite you to sit back and enjoy conversations with friends over a hot cup of tea. Undoubtedly, the media unit, complete with a feature panel wall, a complementary colour scheme and wall-mounted pendant lighting, is the main focal point of the room.

These colours carry on into the stylish and practical kitchen space, equipped with full-depth pan drawers, stylish lighting and an impressive composite sink.

The Malton Elite

Combining a spacious open-plan layout with a warm and inviting interior scheme of mauve pink and cashmere, the Malton Elite promises a premium look and feel without the premium price tag.

Modelled on our stylish starter home, the Malton, this 14ft version brings the same look and feel on a larger scale, resetting what entry-level looks like on the ever-popular 14ft pitch.

From the moment you step through the door, you'll instantly recognise that there is more than enough space to house all the family. Packed full of practical storage solutions there is also room to store all the clutter that comes with them.

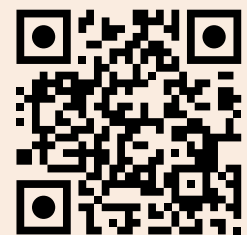

Made to make your holidays as special as you are, this tranquil home offers instant relaxation. It's a modern classic that you'll want to keep coming home to again and again.

The Gainsborough

Designed to offer a truly premium product to owners on a 12ft pitch, the Gainsboroughs offers a luxury lifestyle no matter what space you have available.

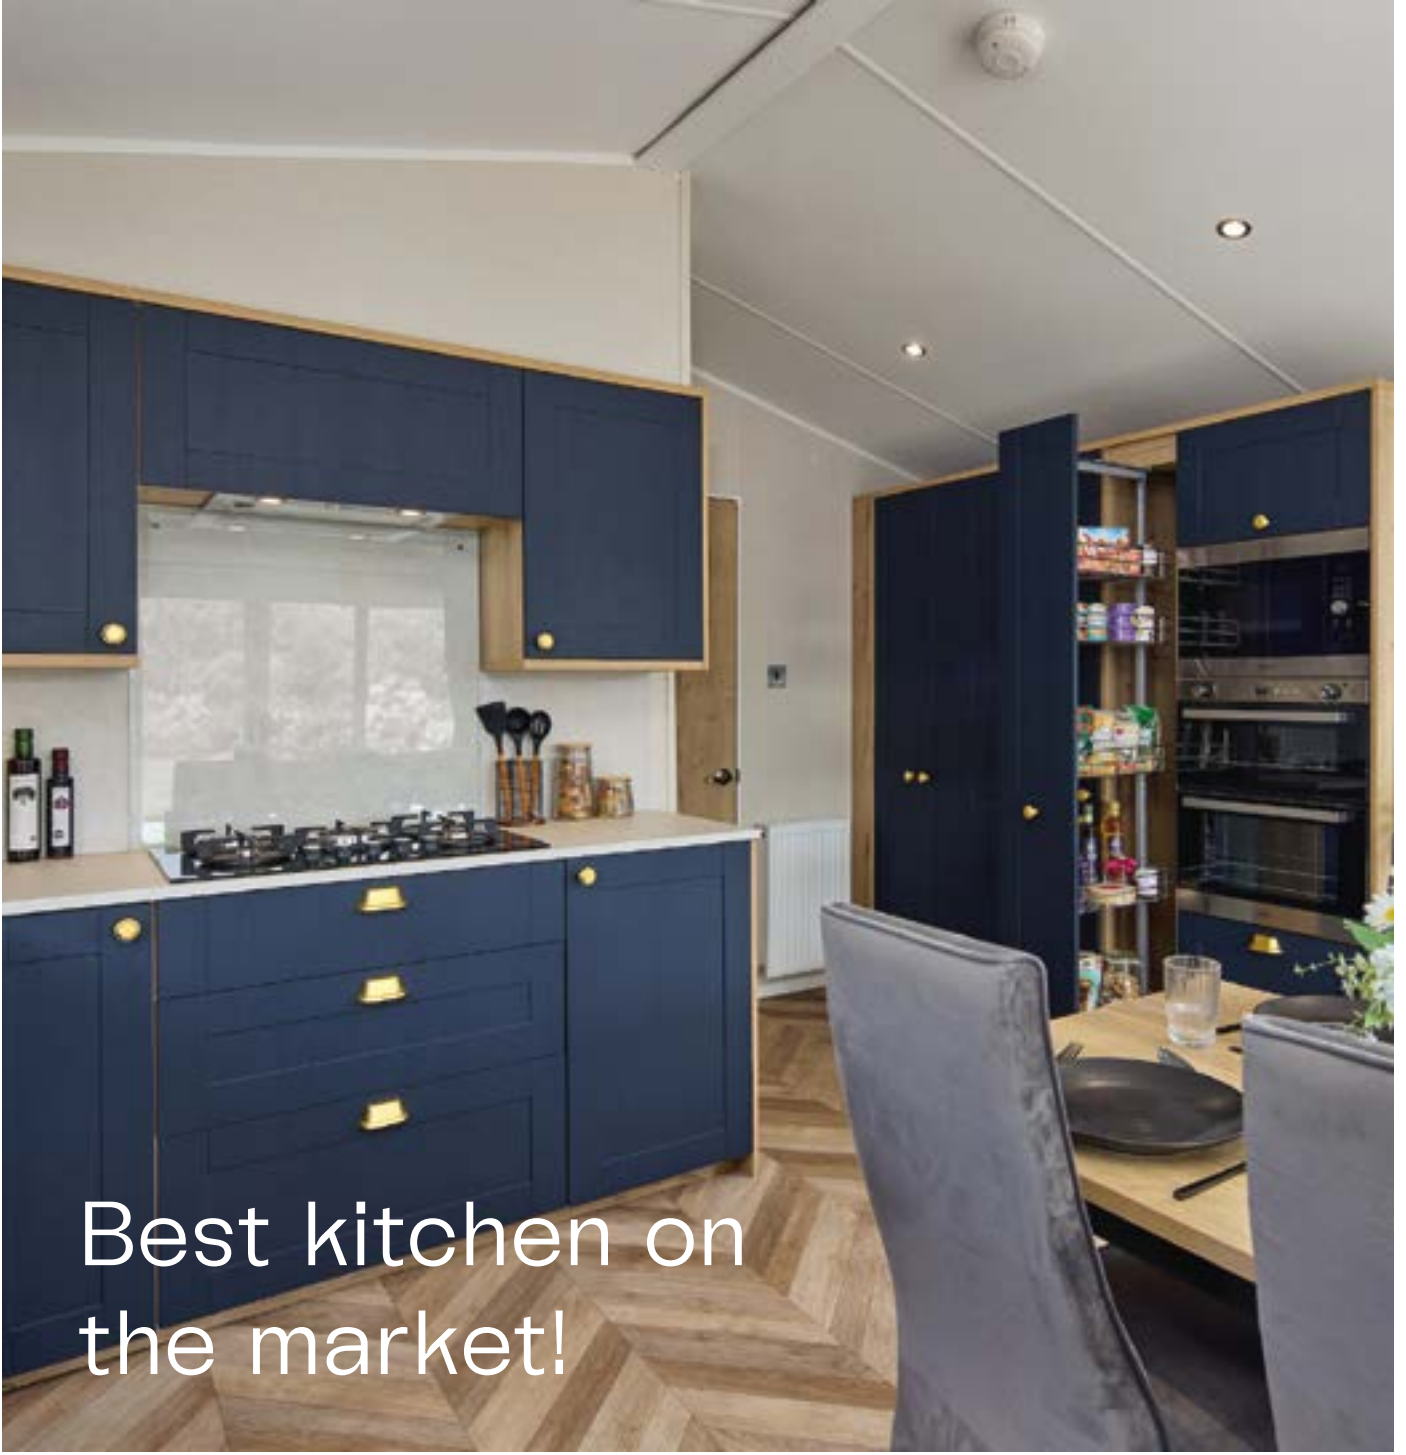

From the moment you first step foot in the Gainsborough, you can't help but notice its bold and contemporary design.

The star of the show is undoubtedly the kitchen - developed in response to Willerby Owners Club feedback, the Gainsborough offers 40% more storage space than ever before in a Willerby 12ft holiday home kitchen*, with smart storage features including lowered cabinet plinths, pull out racks and canister shelves.

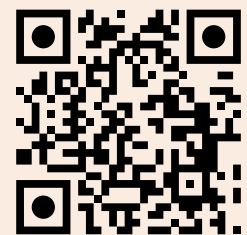

Also available in show-stopping 14ft models, its elegant design doesn't stop at the front-end living space, with both bedrooms boasting feature panelling, blue accent wall boards, and a striking co-ordinated bedding pack.

*comparing kitchen cabinet space between Gainsborough 38 x 12 two bed and comparable 12ft models.

The Dorchester

The Dorchester is a truly luxurious holiday home, equipped with everything you need to escape everyday life and make the most of your leisure time.

The Dorchester's understated heritage green and grey colour palette gives the home a real sense of natural tranquillity - whilst the statement bold black cabinetry in the kitchen and architectural finishes add character to the interior design.

As the largest holiday home in our range, the Dorchester makes great use of its huge floorspace throughout - nowhere more so than the master bedroom, a true sanctuary boasting a king-size bed, elegant dressing area, and walk-in wardrobe, as well as a stylish ensuite.

Best for
spaciousness

Introducing
The Vogue

There are holiday homes, and then there is the Vogue.

Our flagship model and the shining star of our 80th anniversary celebrations, the Vogue is everything you'd expect from Willerby – and so much more.

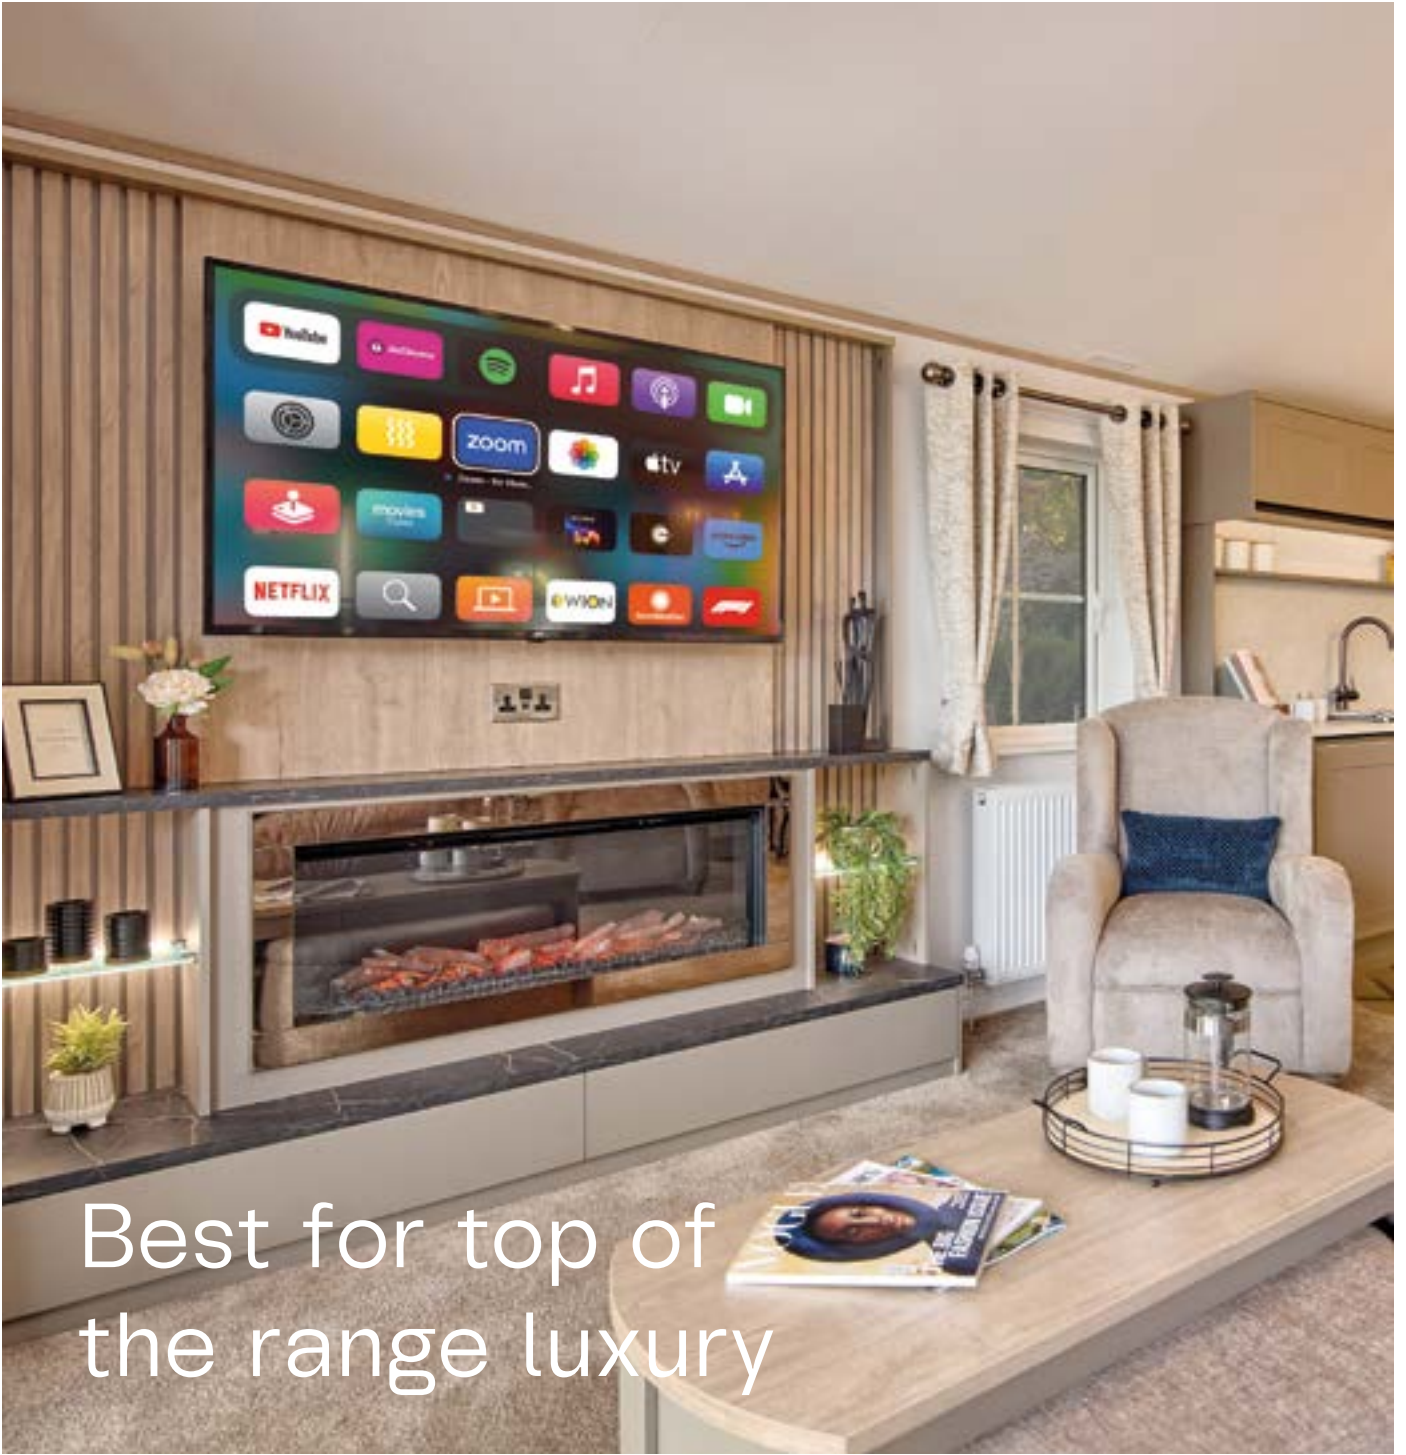

From the moment you set eyes on its striking exterior, you know this is something truly special. Step inside and the feeling continues – light pours in through full drop windows and triple sliding patio doors, creating a sense of space, calm, and effortless style.

At its heart is a stunning kitchen, where the island – complete with integrated hob – invites you to gather, cook, and enjoy the moment.

And when it's time to unwind, the main bedroom is your own elegant escape. Full-length mirrored sliding doors conceal a generous wardrobe and an en-suite bathroom, which adds a touch of indulgence to everyday life.

This is Willerby at its very best – a holiday home that showcases our design flair, craftsmanship, and passion for creating something unforgettable. The Vogue is not just a holiday home - it's a statement.

Visit a Willerby showground

Interested in the best and latest in holiday lodges? At Willerby, we offer so much choice, that it's not always easy to get the full picture. That's why a visit to one of our showgrounds is highly recommended. They are guaranteed to be the best location to see the widest selection of Willerby holiday homes, lodges, and park homes in one single place.

One of our friendly knowledgeable team will be on hand to greet you and make you a brew before allowing you the time to explore our range at your own leisure.

Visits are by appointment only so make sure you give us a call or visit willerby.com/showgrounds to book.

Hull

Tucked away on our factory site in Hull, and boasting an impressive display of 18 models, the Hull showground is a perfect starting point for anyone looking to purchase a new Willerby home.

Our friendly showground team are on hand Monday - Thursday plus alternate Saturdays and bookings are recommended.

Address: Great Field Lane, Marfleet, Hull, HU9 5WA

Tel: 01482 717599

Email: showground@willerby.com

Livingston

You'll find our Scottish showground just seconds from the M8, north of Livingston at Williamsons Garden Centre. The site is only a 30-minute drive from Edinburgh and 40 minutes away from Glasgow, Stirling, and the Borders. Meaning it's easily accessible from both of Scotlands largest cities!

With nine Willerby homes on display it is definitely worth a visit.

Address: Williamsons Garden Centre, Livingston, Broxburn, EH52 6PA

Tel: 01506 343603

Email: scotland@willerby.com

Both our showgrounds are dog friendly.

Certified distributors

Contacting one of our certified distributors could be a great starting point to making your holiday home dream a reality.

All our distributors have a wealth of knowledge about parks in their local area and can recommend a shortlist of suitable sites based on your individual criteria, as well as being able to answer any questions you may have on our model range.

Clark Kay, Director, Caravans in the Sun

Willerby repairs and renovations

Have you damaged something in your Willerby that you'd love to replace?

Or have years of making happy family memories caused a little wear and tear on your home?

Maybe you just want some new curtains to spruce up your Willerby ahead of the new season?

Whatever your reason, by using our brand-new service, Willerby can help make your home perfect again. Not only can we help to source spare parts* but our experienced engineers can now be hired to complete those essential repair works.

How do I make a new request?

All requests for spare parts* and engineer repairs must be processed via your park or distributor - speak to them today and ask them to request a quote via Willerby's aftersales portal.

Make sure to include your serial number, photographs and as much information as possible so we can provide an accurate quotation.

Frequently asked questions

We want to make your buying experience as smooth as possible. To help you along the way we've pulled together some of the queries we hear most often - and the answers to go along with them!

Where can I view Willerby models?

How much can I expect to pay for my holiday home?

When it comes to buying a holiday home, pricing can vary depending on a number of factors, such as park location, site facilities, and your pitch size. Similar to the housing market, the cost of your holiday home may increase in more sought after locations.

Our website includes a list of RRP's to give you an indication of the cost of each home. This is unlikely to be the final cost you pay as it doesn't take into account siting, transportation or optional extras. For the most accurate quote we recommend contacting the park or dealership that you wish to purchase the home from.

Visit willerby.com/price-lists to find out more.

Where can I view Willerby models?

We have two dedicated showgrounds located in Hull and Livingston. These are guaranteed to be the best location to see the widest selection of Willerby models in a single place.

One of our friendly knowledgeable team will be on hand to greet you and make you a brew before allowing you the time to explore our range at your own leisure. Visit willerby.com/showgrounds to book an appointment today.

What does the eco pack include?

Our optional eco pack is designed to help you control your water and energy consumption.

With reduced flush cisterns, aerated taps/showerheads, and a thermostatically controlled boiler valve that saves energy when firing, you'll be doing your bit for the planet.

Can I buy direct from Willerby?

We only sell our homes through a nationwide network of parks and approved distributors, even if you are purchasing one of our homes to go on your own land.

Turn to page 88 where we have provided a full list of the certified distributors we work with. Alternatively, visit willerby.com/parks to use our find a park tool.

Can I make changes to my holiday home?

All of our products have a wide range of optional extras you can choose from. Options may vary from product to product so it's worth checking the list provided for the model that you are looking to purchase.

Unfortunately we cannot accommodate structural and cosmetic changes outside of the options listed in this brochure. All optional extras must be selected three months prior to the home being built.

How can I find out the bed sizes in your homes?

We have pulled together a list of the bed sizes that come as standard in all our homes. This may help you make a decision on which home is perfect for you! It will also help you get organised before your home arrives, allowing you to buy bedding that fits your beds perfectly. Visit willerby.com/beds to find out more.

Can I put a holiday home on my own land?

Yes, this is possible and lots of people purchase holiday homes for their own land. Planning permission is generally required, so we would recommend seeking advice from your local authority.

Holiday homes for private land can be purchased via one of our certified distributors. Please turn to page 88 for a full list.

What is the Simply Better Sleep package?

Our Simply Better Sleep package offers you the opportunity to upgrade to a Hypnos superior pocket-sprung double or kingsize mattress and Willerby Super Sleep single mattresses.

With more depth, springs and durability, everyone in your holiday home will benefit from those extra zzz's.

What is the difference between EN 1647 and BS 3632 standard?

These build standards can be used for both holiday homes and lodges. EN 1647 is the European standard for holiday homes, which are suitable for seasonal holiday use.

BS 3632 is the British residential standard and these homes are suitable for 12 month use (subject to the site licence).

What is the difference between a holiday home and a lodge?

The phrase "Holiday home" refers to single chassis units which can be up to 14.5 feet wide.

"Lodge" typically refers to a twin chassis unit, which are usually 20 feet wide when the two chassis are joined together. They are constructed and transported in two halves and are fitted together onsite by a siting team. The word "lodge" can also sometimes refer to a single chassis holiday home that is built to a higher than usual specification e.g. with upgraded cladding or insulation.

What is included in the bedding pack?

The bedding packs include:

Kingsize or double bed: (Per bed)	Single beds: (Per bed)
<ul style="list-style-type: none">• One duvet cover• Two pillowcases• One bed runner• One bolster cushion	<ul style="list-style-type: none">• One duvet cover• One pillowcase• One bed runner• One bolster cushion

Can't find the answer to your question?

Visit [willerby.com/help](https://www.willerby.com/help) where we cover a wide selection of handy tips and advice on some of our most frequently asked questions.

If you can't find an answer to your question in our FAQs, please email us at marketing@willerby.com or call us on 01482 717599 and we'll be happy to help you.

Your holiday home cladding

We understand that it's important your holiday home stands out on your park for all the right reasons – and with a Willerby, you can do just that.

Our brand new for 2026 cladding range is better than ever, offering enhanced style, durability and choice. With a wide selection of finishes and materials, this new range allows you to truly personalise the exterior aesthetic of your home, making you the envy of your neighbours.

Premium aluminium

NEW FOR 2026

Make a statement with our brand new premium aluminium cladding – where smart design meets elevated style. This upgraded option combines all the practical advantages of our standard aluminium cladding – it's lightweight, low maintenance, and fully recyclable – with a more luxurious, high-end finish.

Featuring a beautifully embossed woodgrain texture, wood-effect paint colour, and a refined new profile, this cladding brings a modern yet natural look to your holiday home.

Premium aluminium comes as standard on the following models: Malton Elite, Gainsborough, Sheraton and Dorchester. It is also an optional extra on: Malton, Rio, Rio Compact, Rio Access, Sierra, Brookwood, Buxton and Salisbury.

Mist Grey

Aluminium

NEW FOR 2026

Our aluminium cladding has been upgraded for 2026 with a contemporary matt finish, giving your holiday home a fresh, modern edge. More than just stylish, aluminium cladding is a practical choice – it's lightweight, low maintenance, and offers excellent weather protection. Plus, it's fully recyclable, making it a more sustainable option.

Aluminium cladding comes as standard on the following models - Malton, Rio, Rio Compact, Rio Access, Sierra, Brookwood, Buxton and Salisbury.

CanExel®

CanExel® is a high-density wood composite product created from oak, maple and birch. Its deeply textured wood grain appearance makes it the perfect choice for those who want all the beauty of genuine wood, but with added durability and minimal maintenance requirements.

Mist Grey

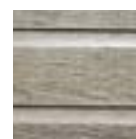

Sierra

Barnwood

Cliffside

Acadia

This is available as an **optional extra** on the following homes: Gainsborough (14ft models only), Malton Elite, Sheraton, Dorchester and Vogue.

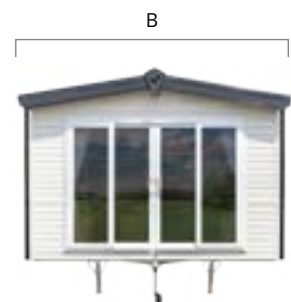

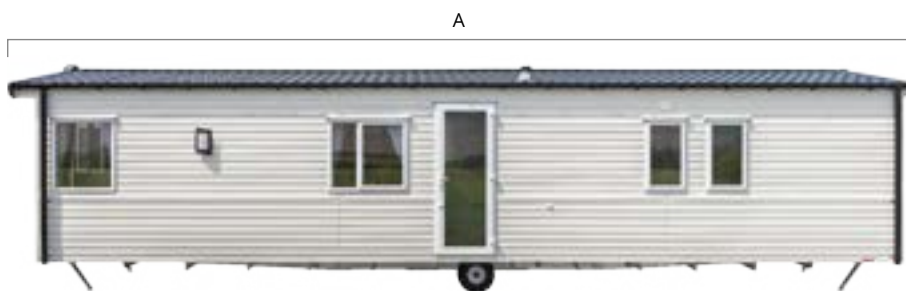

Exterior dimensions

We are often asked for details of the overall dimensions of our holiday homes. Detailed below are the most commonly requested types of measurements.

The holiday home industry is unusual in that it still uses imperial measurements. Please ensure that you use this table to get an accurate size for your home to make sure it fits your pitch.

	A	B
Model	Max length (MM)	Max width (MM)
The Malton		
35 x 12 . 2 Bedroom	11010	4022
37 x 12 . 3 Bedroom	11620	4022
The Rio Compact		
28 x 10 . 2 Bedroom	9241	3392
32 x 10 . 2 Bedroom	10160	3392
36 x 10 . 2 Bedroom	11377	3392
36 x 10 . 2 Bedroom	11377	3392
The Rio		
28 x 12 . 2 Bedroom	8944	4062
32 x 12 . 2 Bedroom	10160	4062
36 x 12 . 2 Bedroom	11380	4062
36 x 12 . 3 Bedroom	11380	4062
38 x 12 . 2 Bedroom	11980	4062
38 x 12 . 3 Bedroom	11980	4062
The Rio Access		
38 x 12 . 2 Bedroom	11980	4062
The Sierra		
35 x 12 . 2 Bedroom	11378	4042
38 x 12 . 2 Bedroom	12292	4042
38 x 12 . 3 Bedroom	12292	4042
The Brookwood		
28 x 12 . 2 Bedroom	9141	4042
32 x 12 . 2 Bedroom	10362	4042
35 x 12 . 2 Bedroom	11277	4042
36 x 12 . 3 Bedroom	11582	4042
38 x 12 . 2 Bedroom	12192	4042
40 x 12 . 3 Bedroom	12799	4042

	A	B
Model	Max length (MM)	Max width (MM)
The Buxton		
40 x 12 . 2 Bedroom	12500	4022
40 x 12 . 3 Bedroom	12500	4022
The Salisbury		
35 x 12 . 2 Bedroom	11083	4062
38 x 12 . 2 Bedroom	11962	4062
38 x 12 . 3 Bedroom	11962	4062
The Malton Elite		
40 x 14 . 2 Bedroom	12668	4862
43 x 14 . 3 Bedroom	13602	4862
The Gainsborough		
35 x 12 . 2 Bedroom	11381	4068
38 x 12 . 2 Bedroom	12327	4068
40 x 12 . 3 Bedroom	12939	4068
40 x 14 . 2 Bedroom	12668	4862
43 x 14 . 3 bedroom	13602	4862
The Sheraton		
40 x 13 . 2 Bedroom	13045	4460
42 x 14 . 2 Bedroom	13562	4790
The Dorchester		
43 x 14 . 2 Bedroom	13597	4852
The Vogue		
43 x 14 . 2 Bedroom	13268	4852

The above dimensions are subject to manufacturing tolerance variations. All measurements are based on drawing dimensions working from the extremities of the structure.

Dimensions are based on the holiday home being built to EN 1647 specification. Where the optional Residential Specification BS 3632 (2023) is added, the overall dimensions may increase depending on the chosen model - please contact your supplying park or dealer for more information. Models with optional patio doors are the same dimensions as standard models.

Making the right choice

With such a wide range of holiday homes available to choose from, we know that finding the model that's right for you can sometimes be a difficult decision.

We've pulled together a list of features to help make it easier for you to find your dream holiday home. So whether you want the flexibility offered by freestanding furniture to experiment with the look and feel of your living area, or you love a long soak in the bath after a day of exploring, this quick reference guide is here to help you make an informed choice.

The Willerby warranty scheme

With a Willerby holiday home or lodge, you have peace of mind that you'll receive a comprehensive 12-month warranty from the date of ownership.

In addition you will receive an enhanced warranty period on the items specified below.

Parts

The parts listed below are entitled to an additional two years warranty cover after the initial 12 months.

- Willerby manufactured fitted furniture
- Soft furnishings, chairs and upholstery (seating)
- Dining table
- Kitchen sink
- Radiators
- Shower cubicle and shower door
- Sanitaryware, bath and taps
- Sockets and switches
- Internal doors and handles
- Gutters and fall-pipes
- Cladding*

* Our CanExel® cladding is covered for 10 years by the manufacturer on both the substrate and the paint finish. More information can be found in the owners handbook.

Structural

The structural components listed below are entitled to an additional four years warranty cover after the initial 12 months.

- External doors*
- PVCu windows*
- Roof, walls, and ceilings
- Flooring
- Boiler**
- Chassis

* Excludes iron mongery

** Subject to the type of boiler supplied in your home. Please refer to the boiler manual. The boiler warranty must be registered within 30 days of commissioning and be serviced annually by a gas safe engineer.

Boiler warranty may vary depending on the the country the holiday home is sited in.

Chassis

We offer two types of chassis on our models. In addition to the five year structural warranty, both also receive an anti-corrosion warranty.

Painted steel chassis

- Painted steel chassis receive an anti-corrosion* warranty of two years** from the date of chassis manufacture or one year from the date of sale (to the end user), whichever occurs first.

Fully galvanised chassis

- Fully galvanised steel chassis receive an anti-corrosion** warranty of 12 years from the date of manufacture or 10 years from the date of sale (to the end user), whichever occurs first.

* Please note that the anti-corrosion warranty covers the perforation of the steel components such that the structural integrity of the home is compromised and does not cover cosmetic anomalies, including the appearance of surface rust. Annual maintenance regimes should be followed in accordance with the owners handbook provided with your home.

** Please note that painted chassis located within coastal areas will require quarterly checks and may possibly need periodic work to be carried out.

Willerby lodges

The ultimate home from home, Willerby holiday lodges are an escape from everyday life. They're a haven - a warm and comfortable place where you can relax, unwind and switch off. A retreat with enough space to spend time with loved ones and create memories that will last a lifetime.

At 20 feet in width, almost double the size of our standard holiday homes, there's all the room you could possibly need and more. These spacious sanctuaries are perfect for entertaining family and friends.

With four distinctly different models to choose from there's bound to be a lodge that suits your needs.

The Boston

The Mapleton

The Pinehurst

The New Holland

Ready to start your journey?
